

Meet Dr.Cindy Dixon, SE Representative to the U.S. Forum Steering Committee

The SE Regional Representative to the U.S. Forum Steering Committee, 2026-2028, has a strong history of community engagement. **Dr. Cindy Dixon** collaborated with the University of Alabama on projects to revitalize a struggling community, improve public transportation in high poverty areas after the 2011 Tuscaloosa tornado, and to advocate for social improvements with legislators at local and state levels.

Dr. Dixon teaches middle school English, has a master's degree in education administration and in Secondary Language Arts. She holds a PhD in Instructional Leadership with an Emphasis on Technological Integration. One of the parts of the curriculum that Cindy holds dear is the teaching of the Constitution.

Cindy has served as president of Beta Chapter, Alabama, for two biennia and as District IV area director. Cindy was a member of the DKG NEXT class of 2022 and has presented at several state and international conferences.
