

Meet Kay Stern, NW Representative to the U.S. Forum Steering Committee

The NW Regional Representative to the U.S. Steering Committee, 2026-2028, is from Washington State. **Kay Stern** has been an active participant in U.S. Forum General Meetings at both the State and National level, serving as a facilitator for open forum discussions on issues for educators and women and children.

Kay served as chapter legislative liaison for over 10 years and as a regional liaison for Washington State from 2021-2025, organizing workshops and presentations. She has also served as Washington State leadership Development chair.

As the Third Congressional District Coordinator for the “We the People Campaign,” Kay was trained and advocated for civic education with the U.S. House of Representatives and with Washington State Senators. She is also a passionate advocate for assuring that all children have the right to an appropriate education.

Kay has been a member of DKG since 1976, serving on multiple committees, including collegiate membership and as president in 2022-2024. She received a Cornet grant to provide a workshop on censorship in 2024.
