

Meet Susan Dixon, SW Representative to the U.S. Forum Steering Committee

Susan Dixon, veteran of two U.S. Forums in Washington, D.C., where she engaged in national advocacy on behalf of educators and public education, presented a workshop in 2026 entitled “The Long Road to Repeal & Building Advocacy that Endures.” She authored the resolution “Protecting Educators’ Retirement Security,” which was adopted by the Forum General Meeting. Susan serves as the California DKG Area XIV Legislative Representative and has been the CalRTA State Government Relations Chair and State President. With over 10 years of advocacy experience in Sacramento and Washington, D.C., where I was co-chair of the coalition to pass the Social Security Fairness Act, Susan is committed to advancing policies that protect educators, strengthen retirement security, and support lasting advocacy efforts. She currently is a member of the Senate Social Security War Room under Senators Elizabeth Warren and Ron Wyden.

Susan Dixon was elected in 2026 to be the SW Regional Representative on the U.S. Forum Steering Committee where her experiences as an advocate will enrich the Forum’s legislative tracking, communications and skill building.
